GUESTROOMS

- Guest rooms at Fairmont Jaipur are bespoke residences that exude classic heritage influences with four poster beds, camel bone inlaid furniture, walk-in bathrooms with the distinct pink city stone bath tubs, Mughal styled low seating day beds and discreet arched windows that overlook the Aravalli hills. Understated yet opulent at the same time, the beauty of the rooms however lies in the intimate details such as the traditional companion and confidante of royalty, the parrot, mascot of Fairmont Jaipur, which is perched right next to the bed in every room adding a touch of playful romance to the royal chamber ambiance.
